ELECTION

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed on October 6, 2006, the Applicant hereby elects Group I (claims 14-19) for further prosecution in the above patent application. This election is made with traverse.

The Office Action states that the listed groups do not relate to a single general inventive concept because they lack the same or corresponding special technical features. Applicant respectfully disagrees. Claims 20-23 depend from claim 14 and, therefore, must include the same special technical features. Allowance of claim 14 should lead directly to allowance of claims 20-23.

Respectfully submitted,

Ira S. Matsil  
Attorney for Applicant
